

Please amend the claims as set forth below. The following is a complete listing of the claims:

1-25. **(Previously Cancelled).**

26. **(Currently Amended)** A combination seat cushion and leg warmer, comprising:

a water-proof bottom having a base portion and an upright skirt portion;

a collapsible envelope portion connected at one end to the bottom, the envelope portion including at least one expandable pleat adjacent the legs;

a seat cushion connected to an opposing end of the envelope portion, the seat cushion being movable relative to the envelope portion;

a means for releasably connecting the seat cushion to the skirt portion;

the wherein the combination seat cushion and leg warmer is operable between an open mode in which the envelope portion is expanded to receive the legs of a user; and a closed mode in which the envelope is collapsed and enclosed within a volume formed by the base portion, the skirt portion, and the cushion.

27. **(New)** The combination seat cushion and leg warmer according to claim 26, wherein the water-proof bottom is formed of a molded rubber material.

28. **(New)** The combination seat cushion and leg warmer according to claim 26, wherein the seat cushion is connected to the opposing end of the envelope portion by a wide tether.

29. **(New)** The combination seat cushion and leg warmer according to claim 28, further comprising:

a storage pouch formed in the wide tether.

30. **(New)** The combination seat cushion and leg warmer according to claim 26, wherein the means for releasably connecting the seat cushion to the skirt portion is a zipper.

31. **(New)** The combination seat cushion and leg warmer according to claim 26, wherein the collapsible envelope portion is made of an insulating material.

32. **(New)** The combination seat cushion and leg warmer according to claim 26, further comprising:

a shoulder strap.

33. **(New)** The combination seat cushion and leg warmer according to claim 26, further comprising:

a carrying handle.

34. **(New)** The combination seat cushion and leg warmer according to claim 26, further comprising:

an entrance slit.

35. **(New)** The combination seat cushion and leg warmer according to claim 34, wherein the entrance slit is sealed by a zipper.
